

YOLANDA AUYANET – *Soprano*

Yolanda Auyanet has established herself throughout Europe as a leading interpreter of bel canto roles such as *Norma* and Donizetti's Queens, and she has more recently approached challenging roles in the Verdi and Puccini repertoire, such as *Tosca*, which she has just premiered with great acclaims in Seville and that she will sing again at Teatro dell'Opera in Rome, or *Abigaille*, which she debuted at the Capitole de Toulouse for the opening of the 2024/25 season.
